DEFENSE			
STRENGTH			solid in center, good coverage great tackler on right side - overlaps left defender is weakest #3 reads game well and steps into void in midfield
WEAKNESS			left side slow play off-side trap but # 4 doesn't move up quickly enough
COMMENTS			attack from our right (their left weak side) quick balls down our right to exploit weak defender and failing off-side trap
MIDFIELD			
STRENGTH			very compact in the center. fast on right side #6 takes good shots from outside box
WEAKNESS			left side slow transition to defense after loss of possession is slow
COMMENTS			attack from our right (their left weak side) quick transition through midfield after gaining possession in our half

OFFENSE			
STRENGTH			quick forwards with great 1v1 moves communication is good
WEAKNESS			outside midfielders cross well just to just outside 6yd box good placement of shots and power don't challenge for high balls
COMMENTS			need to challenge and cover forwards in 1v1 situations no need to worry about crosses
GAME STRATEGY			
STRENGTH			great attacking movements. Good overlaps switching fields often to unbalance defense aggressive pressing in opponent's half
WEAKNESS			slow transition in midfield to defense weak left side
COMMENTS			quick transitions through midfield attack their left side rebounds on goalie double up on forwards neutralize #6 and gain control
